

PROGRAM ELIGIBILITY

Is your project located in Texas?

NO

Your project is not eligible for the Conservation Wrangler program. You may want to explore our [Conservation Partner](#) program.

YES

Has your project been started?

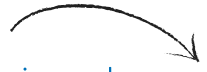

NO

Your project may still be eligible for Conservation Wrangler, however, Texan by Nature staff may have additional questions, or may recommend you wait to apply until your project is further along. Please reach out to a member of our Programs team with any questions at programs@texanbynature.org.

YES

Does your project benefit people, prosperity, and natural resources either directly or indirectly?

NO

Conservation Wranglers must positively impact people, prosperity, and natural resources. If you are unsure whether your project meets these requirements, please reach out to Texan by Nature's Programs team and we will be happy to answer your questions to evaluate your project's fit within the program!

YES

Is your project science-based?

NO

Conservation Wranglers must be science based. If your project will have data in the future, it may be best to wait. Please reach out to our Programs team if you are unsure, and we will be happy to answer your questions.

YES

Is your project a model that could be replicated?

NO

Conservation Wranglers are not required to be replicable, but the program is designed to select projects that can be amplified across the state, so your score will be affected. If you would like to discuss this further or have questions, please reach out to our Programs team at programs@texanbynature.org.

YES

Would tailored aid in project management, strategic planning, marketing, partner development, and/or other areas specific to your project help realize and expand the positive impact of your initiative?

NO

Conservation Wrangler is an intensive, collaborative, 18-month program. It is not a recognition or award. If you are not seeking collaborative aid, your project may be a better fit for our [Texan by Nature Certification](#) program.

YES

Is your project complete?

YES

Your project may be a good fit for our [Texan by Nature Certification](#) program or you may want to reach out to our Programs staff for further discussion.

NO

Do you have time to commit to a collaborative partnership that entails regular meetings, calls, and project collaboration over the next 18-months?

NO

Conservation Wrangler is an intensive, collaborative, 18-month program. It is not a recognition or award. If you are not seeking collaborative aid, your project may be a better fit for our [Texan by Nature Certification](#) program or you may wish to explore our [Conservation Partner](#) program.
